

Transmission card

for the energy transfer of Angel Symbols, Essences, Aura Essences, Oils and Ampoules by Ingrid Auer

Tip:

We recommend to enlarge and laminate the pattern before use.

Instruction:

Put a symbol, an essence, etc. on the right part of the transmission card (spiral) and put a photo or the name of the person you want to help on the left part (circle). With the help of a pendulum or the muscle test find out for how long the symbol / bottle should be left on the transmission card or decide intuitively.
