# PRACTICAL EXPERIENCE WITH THE ANGEL SYMBOL CARDS 1 – 49

## CLEANSING AURA AND CHAKRAS

The easiest way of cleansing your aura, chakras and your morphogenetic field (and the field of your environment), is the application of an Angel/Master Aura Essence. Its big advantage, compared with incense, is, that you can easily take it with you in your handbag or luggage, and spray it over your head into the aura. The effect can be felt within minutes and remains for hours, depending on how strong the energetic contamination. The Angel Aura Essences 'Energetic Cleansing' or 'Archangel Gabriel' are particularly suitable.

*If you do not have an Aura Essence to hand, you can also lay a protection circle. Place a photo or a sheet of paper with the name of the person whose aura and chakras should be cleansed into the middle. You can use all the seven white Angel Symbol Cards from the set Angel Symbols. 49 keys to the angelic world, which are:*

- \_Angel Symbol no. 04 'Angel for Purity and Clarity'*
- \_Angel Symbol no. 21 'Angel for Steadfastness and Fulfilment'*
- \_Angel Symbol no. 26 'Angel for Renewal and Development'*
- \_Angel Symbol no. 36 'Angel for Letting Go'*
- \_Angel Symbol no. 38 'Angel for Karma'*
- \_Angel Symbol no. 45 'Archangel Gabriel'*
- \_Angel Symbol no. 49 'Archangel Metatron'*

*Leave the photo of the person whose subtle body should be cleansed in the centre of the protection circle for a few hours or even for a few days.*
